

IEEE Microwave Theory and Techniques Society

IEEE/MTT-S Membership

Benefits & Opportunities at a Glance

Staying Technically Current with your MTT-S membership

IEEE Microwave Magazine

- ❑ 7 issues per year including in-depth tutorials on current technical topics, columns by industry leaders, and announcements of technical events . . . free with MTT-S membership
- ❑ Chinese, Spanish and Portuguese translations of dozens of classic microwave magazine articles available free

IEEE MTT-S e-Newsletter

- ❑ 12 monthly issues announcing MTT-S events, calls for papers and other opportunities free with membership.

IEEE Transactions on Microwave Theory and Techniques

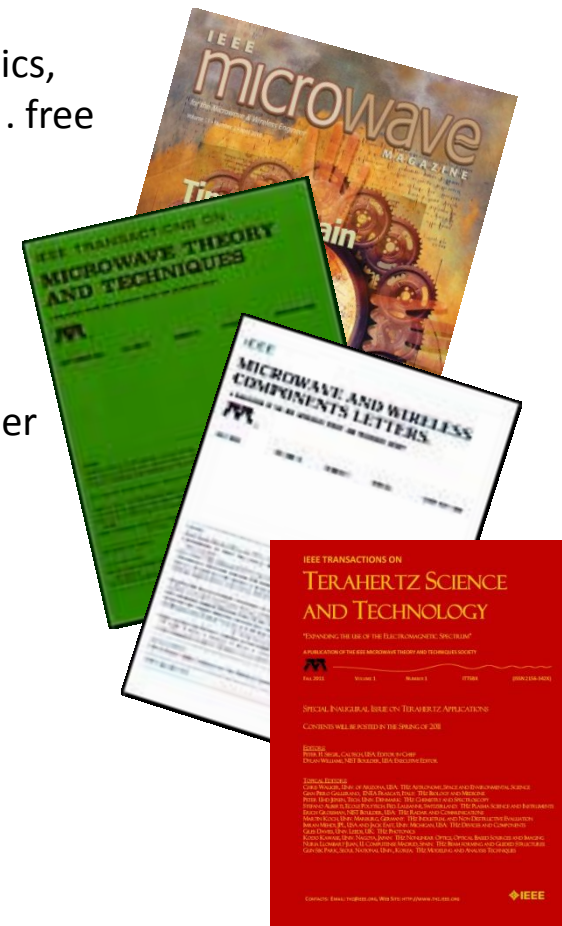

- ❑ 15 issues for \$23/\$46 (online/combined) with membership.

IEEE Microwave and Wireless Components Letters

- ❑ 12 issues for \$16/\$32 (online/combined) with membership.

IEEE Transactions on Terahertz Science and Technology

- ❑ 6 issues for \$10/20 (online/combined) with membership.

Staying Technically Current with your IEEE membership

IEEE Spectrum Magazine

□ Monthly, the award-winning IEEE Spectrum magazine explores the creation, application and implications of new technologies in clear, concise language for the non-specialist

IEEE Press E-Books Classics

□ 200+ digitized books downloadable from IEEE Xplore, with 40-50 new e-books added annually

IEEE.tv 2.0

□ IEEE's Internet television network, exclusive Member programming, downloading privileges, and transcripts

The Institute Newsletter

□ Monthly (4 print, 8 online) newsworthy IEEE activities both in professional and technical areas

IEEE Potentials Magazine

□ 6 issues (online), the magazine for technology's rising, student innovators

IEEE Xplore Digital Library

□ Table-of-contents and abstracts (1.9 million documents)

Professional Networking

Local MTT-Society Technical Chapters and Student Branches

- Local, face-to-face technical and social meetings
- Engage peers through informative technical meetings
- Meet Distinguished Microwave lecturers and other industry leaders

MTT-Society sponsored technical conferences

- Discount registration for technical events throughout the world including the *International Microwave Symposia* with attendance of over 10,000 professionals, *Radio and Wireless Week*, and over 40 other MTT sponsored conferences on all aspects of the microwave art.

MTT-S Volunteer Directory online

- Authoritative member directory of MTT-S Volunteers

IEEE e-Mail Alias

- Identifies you as the IEEE 'family'
- Virus protection and spam filtering

Volunteering

- Work with innovators, experts and practitioners
- Opportunities that build leadership skills and networking opportunities as a technical committee member, journal reviewer, or conference organizer.

Career Development & Recognition

Awards & Scholarships

- 11 annual MTT-Society awards recognizing member technical and service accomplishments
- 10 MTT-S undergraduate scholarships awarded annually
- 10 MTT-S graduate fellowships awarded annually

Special interests and needs served by unique membership communities

- Graduates of the Last Decade (GOLD),
- Life Membership
- IEEE Fellow recognition for career body of work

IEEE Job Site, Career Alert

- Locate career opportunities easily and confidentially
- Weekly email newsletter containing career advice

Career Development Webinars

Member Discounts / Reduced Rates

Membership paying for itself

- As much as 50% off IEEE products
- Registration discounts on all IEEE conferences

Additional Benefits (add-ons)... the power of volume purchasing...*

- Financial Services
- Insurance Services
- Home & Office Services
- Travel Services

CASE STUDY
Meet: Macey, a Software Developer

2005 Purchases	Non-Member Rate	Member Rate	Savings
Purchased IEEE Standard for Software Verification and Validation	\$105.00	\$85.00	= \$20.00
Purchased conference proceedings for 2005 Workshop on Information Assurance & Security	\$218.00	\$109.00	= \$109.00
Total IEEE Member Savings			= \$129.00
